

## **Update Your Email Address**

It has been brought to our attention that we may have out of date details for some of our members. If we do not have the correct email address for you, you will not receive your newsletter.

We should have up to date contact information for all our members as we've just received the renewals, however, if this is not the case we would like to remedy the situation.

We will be sending out an email to all our members.

If you do receive the email, please follow the instructions contained within.

If you haven't received an email from us by the 18th October please contact one of the committee members to provide your contact information.
